Co-hostesses are Mrs. Lloyd Hendrix and Mrs. E.H. Stewart. An outstanding program is planned with special guests, the String Ensemble from Onachita Baptist University directed by Miss Helen Lyon.

### DEBORAH CLASS HAS MEETING

The Deborah Class of the First Baptist Church met Tuesday, April 14 at the home of Mrs. Claude Sutton with Mrs. Jessie Brown as co-hostess.

There were fifteen members and one visitor present. Mrs. Gerald Trussell opened the meeting with prayer. Mrs. Sutton conducted the business meeting. Minutes of previous meeting and

reports were given. A class offering was given. The Class voted to give a permanent arrangement of flowers for Adult IV Department. Mrs. Bill Freeman gave a very interesting devotional. During the social hour delicious refreshments were served by the hostess.

### B & PW OFFICERS INSTALLED

Using various types and sizes of paint brushes to denote the different duties of their offices, Norma Jean DeLaney of the Hope B & PW Club installed the following new officers in the Nike Club at installation services held Thursday, April 16 at the Douglas Building: President, Pat Huckabee; vice-president, Nancy Porter; secretary, Sarah Schenck; treasurer, Susan Stevens; reporter, Melissa Molon.

From a table covered with a white maderia cloth and centered with pink and white flowers, 38 members of the Nike Club were served cookies, nuts and punch. In addition to the installing officer, other B & PW Club members present for the occasion were Mary Andrews, Virginia Hosmer, Mable Ward, Margie Vickers, Velora Bright, and LaVeta Mouser.

### METHODIST CLASS MEETS

Large and unusual cardels lighted the entrance hall of the Ed Aslin home at Oakhaven for the dinner party held there April 16 by the Mary-Martha Class of the First United Methodist Church. In the dining area tables were covered with oilcloth and decorated with ivy in small brown bottles.

Chicken tetrazzini was the main course for the meal served buffet-style. Good fellowship was enjoyed at the informal gathering. Hostesses were Jennie Sue Aslin, Hilda Coffee, Betty Gilbert, Ruth Jones, Mary Anita Laster and Judy Peters.

### IRIS CLUB MEETS

Blue Dutch irises enhanced the home of Mrs. Bennett Wood on Tuesday, April 14, when she entertained the Hope Iris Club. The president, Mrs. Lahroy Spates, opened the meeting with the Club Collect.

Mrs. Richard Arnold presented an informative program on Modern Arrangements, and she explained that each one tells a story. Members brought arrangements of their own choosing, and Mrs. Spates took first place with her line arrangement. The hostess served a strawberry dessert and coffee to 7 members and one guest, Mrs. Doyle Shields.

### Births

Mr. and Mrs. Charles Dudley of Dallas announce the birth of their first child, a 6 pound, 12 ounce boy, on Friday, April 17 at Baylor Hospital in Dallas. He has been named Todd Steven. Grandparents, all of Hope, are Mr. and Mrs. Elston Willis and Mr. and Mrs. Earl Dudley, great-grandparents are Mr. and Mrs. Jesse Burke of DeAnn and Mrs. Nona Coffield of Em.net.

### Coming, Going

Mr. and Mrs. L.B. Tooley, Richardson, Tex., spent the weekend in Hope with friends.

Mr. and Mrs. Bob L. Brittain, Little Rock were weekend guests of Mr. and Mrs. Victor H. Cobb.

Judge and Mrs. Lyle Brown, Little Rock, visited the Jim Lockharts over the weekend.

## Television and Radio

By JERRY BUCK  
AP Television-Radio Writer  
NEW YORK (AP) — The muck and mire of our polluted planet will be scrutinized in a variety of programs devoted to Earth Day activities Wednesday.

Every network has special programs examining man and his environment and covering nationwide activities of the environmental teach-in.

National Educational Television will devote its entire schedule to Earth Day, from mid-afternoon to late night. Three regular programs for children—"Sesame Street," "Misterogers Neighborhood" and "What's New?"—will deal with ecological themes.

NBC's "Today" show is spending the whole week on an in-depth examination of environmental problems.

ABC starts off its coverage tonight with "No Deposit, No Return" at 10:30 p.m. EST. Wednesday it has "Earth Day: SOS for Survival" at 11:30 p.m. On Friday night the network will show "Mission Possible: They Care for the Land" at 10 p.m.

CBS's "A Question of Survival" at 10 p.m. EST Wednesday

## Miss Bacall Elated Over Tony Award

By WILLIAM GLOVER  
AP Drama Writer

NEW YORK (AP) — Lauren Bacall said "wow!" and tried to kiss everybody within reach. Cecil Beaton thought it "simply spiffy." Alfred Lunt spoke of "sheer enchantment." And little Melba Moore wept just a bit.

So with jubilation, sentiment and a few surprises Broadway Sunday night awarded its 24th annual Tony awards for "distinguished work in the theater."

The top-winning musical was "Applause" with silver medallions as the best song-and-dance show, for Miss Bacall as the top feminine star, and two to Ron Field for direction and choreography.

Picked as the best drama was "Borstal Boy," based on Brendan Behan's story of his years in a youth reformatory. The play, originally done in Dublin, was written by Frank Mahon, an American.

Clayton Little of "Purlie" was picked as the best male musical star, with Miss Moore of the same show winning the trophy for supporting actress in a musical.

The stellar drama honors went to Tammy Grimes in "Private Lives" and Fritz Weaver of "Child's Play."

The most conspicuous aspect of the selections was the virtual sweep of top honors by first-time nominees. Candidates were chosen by a panel of reviewers appointed by the League of New York theaters and voted upon by 500 representatives of the theatrical crafts.

For super-radiant Miss Bacall it was the first run ever for any prize.

In addition to her, Little, Miss Moore, Miss Grimes and Weaver, performers who copied Tonys for the first time were Blythe Danner, supporting dramatic actress in "Butterflies Are Free," and Ken Howard, supporting actor in "Child's Play."

Field won in his first directing assignment, while Joseph Hardy on his initial nomination won as a drama stager with "Child's Play."

Veteran talents weren't totally routed in the 16 competitive categories. Among them were Betty Condon and Adolph Green, authors of "Applause," Charles Strouse and Lee Adams, composer and lyricist of the same show; Cecil Beaton, customer of "Coco"; and Jo Mielziner, with two medallions for scenic design and lighting of "Child's Play."

The biggest name competition was between Miss Bacall and Katharine Hepburn, star of the musical "Coco," whose participation in the program was taped for the NBC network telecast in advance. Miss Hepburn did not attend the star-studded ritual at the Hellinger Theater. In addition to the competition awards, special citations were awarded. Two of them—to Alfred Lunt and Lynn Fontanne, another to Sir Noel Coward—evoked the warmest ovations of the evening. Barbara Streisand was honored as "performer of the decade," and another award went to Joseph Papp, founder of New York's free Shakespeare Festival.

For all-out glamor trimmings on the event, Producer Alexander H. Cohen rounded up a galaxy of stage and screen emcees. They included Julie Andrews, Shirley MacLaine, Claire Bloom, Patricia Neal, Maggie Smith, Walter Matthau, Jack Cassidy, Michael Caine, James Stewart, George C. Scott, Robert Stephens and Cary Grant. A ball at the Waldorf-Astoria followed the theater presentations.

looks at the activities of the day.

NBC will cover many of the parades, demonstrations, folk sing-ins and prayer meetings live in a two-hour program beginning at noon Wednesday.

Beginning Sunday, May 3, NBC will inaugurate "In Which We Live," the first weekly series devoted entirely to ecology. Edwin Newman will be host of the show, to be seen at 5:30-6 p.m. EST.

Those sensational pictures from the Apollo 13 recovery zone—seen by an estimated 40 million Americans on their lunch hour—came from an 18-pound portable camera aboard one of the recovery helicopters. The camera was manned by Jim Whaley of KPRC-TV, Houston, Tex., who was aboard the copter with two CBS technicians as part of the pool coverage. It was the first time the Department of Defense allowed a camera aboard a recovery helicopter.

The pictures, relayed back to the carrier Iwo Jima, went by Pacific satellite to the ground station at Jamesburg, Calif.

## HELEN HELP US!

by Helen Bottel

### YOUTH ASKED FOR IT!

This column is for young people, their problems and pleasures, their troubles and fun. As with the rest of Helen Help Us!, it welcomes laughs but won't dodge a serious question with a brush off.

Send your teenage questions to YOUTH ASKED FOR IT, care of Helen Help Us! this newspaper.

### THOUSANDS SHOUT DOWN THE HIDEOUS MIDL

Dear Readers: I'm sure you didn't cause the recent postal strike. But it's a strange coincidence that the very day after I asked for a flood of votes against the "miserable midl," New York mail stopped moving.

Since my reader mail is routed through New York and therefore got caught in the pile-up, your votes might have reached me faster by pony express. However, they've been arriving by the thousands these past two weeks—and, judging by your irate remarks, the midl skirt hasn't a chance!

Some examples:  
Dear Helen: There is nothing more hideous.

Than the dumb, stupid midl — US. (Signed by 215 employees of a San Francisco Bay Area telephone company.)

Dear Helen: If we women will just hang together and refuse to wear those awful 10-inch-below-the-knee monstrosities, they'll go the way of the "sack" Paris tried to foist on us a few years ago. I'm not for micro-minis, but I love the freedom of the knee-length or above (depending on age, shape, and husband's preference). — MRS. T.W.

Dear Helen: Count me a full-fledged member of the "We Won't Wear Midis" club. I, too, have suffered through those knee-clinging, granny-looking horrors. They are uncomfortable, unbecoming, and every other "un" including unsafe in this fast-moving world. Think what might happen if you caught one in a bus door! — M.R.

Dear Helen: At least 99.44 percent of the men enjoy seeing shapely women's legs, including their knees. And we guess a like percentage of the gals like to show them. — (Signed by 11 men).

Dear Men: Here's one who doesn't—the only only vote so far against the mini!

Dear Helen: What's the matter with the midl? It's better than looking at fat knees or bony legs that hang from the hips like bamboo reeds on an oriental wind chime. I'm tired of watching girls try to hold their knees together, only to expose their upper hips. When they lift their arms, or bend, it's showtime, and sitting down is hazardous. Besides, those seats are cold. — WELCOME MIDL!

Dear Helen: Minimize—the mini!

Get rid of—the midl.  
X out—the maxi.  
Give us — The mid-knee!

MARY L.  
Dear Helen: With every depression skirts have lengthened. With every prosperous period, skirts have shortened. If holding the line (somewhere above the knee) will ward off a recession, I'll gladly sacrifice 10 ugly inches of material! — PATRIOT

Dear Helen: My daughter can't afford a whole new wardrobe and college too. Moreover, if the midis caught on, those clunky shoes that look cute with short skirts would make the "spinner look" complete. More expense for footwear! We Won't Buy! — MA

Dear Helen: I speak for every teen-ager I know (and half of them have signed this letter). You won't catch us dead in midis— and NOTHING WILL

CHANGE OUR MINDS!!!—TEEN  
P.S. The guys agree with us. NOTE TO READERS: Keep sending your votes against the midl to Helen Bottel, care of this newspaper. They'll be forwarded to POOF ("Preservation of Our Femininity and Finances") an organization pledged to keep skirts riding high.—H.

And here's an eminently sane male point of view:

Dear Helen: In your March 17th column, you should have said, "If you gals will hold the line (where it is becoming to you), you can keep mostly-male fashion designers from foisting (any uniform style) upon you. You don't need to be sheepy you know."

The parentheses are mine, the other statements yours.

Seriously, millions of women look ridiculous and show off their very worst features by slavishly wearing mini skirts when their legs aren't built for them. Some who look terrible with skirts two inches above the knee look wonderful with them six or eight inches above. Some look ghastly with anything above calf showing at all, yet are very graceful when covered to that level.

The real point you should be hammering home, Helen, is that women must stop being sheep

## Beef Producers to Be Told Of Marketing

Hempstead County livestock producers will hear a full explanation of the new Farm Bureau livestock marketing program Tuesday night, 7:30 p.m. April 21 at the Courthouse in the large courtroom.

The meeting will be open to all cattle producers. Speakers will include: Mr. Charles Albritton and H.T. Baber with the Arkansas Farm Bureau Federation.

Organized as Arkansas Livestock Marketing Association, the new program is designed to help livestock producers market feed-

er cattle through modern techniques and communication. Arkansas participants will list feeder cattle for sale. Through livestock buying associations in other states, feedlot operators may purchase feeders. The central marketing affiliate of American Farm Bureau Federation, American Agricultural Marketing Association, will provide timely market information and coordinate transactions between states.

Similar marketing associations have been formed and are operating in more than a dozen states. Attend and learn what the new Farm Bureau marketing association can mean.

The scene — Queen Snooty (Paula Orsborne) displays her anger at a joke she thinks is not funny as told by the butcher (Carroll McKee) to the lawyer (Clay Orsborne), the baker (Lee Howington), and the candlestick maker (Joe Wilson) in the Land of the Jesters.

HOPE FEDERAL pays the highest rate of interest on Savings Accounts of any financial institution in Hempstead County . . . . . and ALWAYS has.

## Simpson Handcuffs the Giants

By HAL BOCK

Associated Press Sports Writer  
When do you like your no-hitters broken up—early or late?

The National League had them both ways Sunday—Wayne Simpson losing his chance in the first inning and Tom Griffin letting the suspense build a bit before losing his in the seventh.

Simpson, Cincinnati's sensation rookie, one-hit San Francisco 6-0 Sunday while Houston's Griffin handcuffed San Diego on one hit, 5-1.

Elsewhere, Los Angeles battered Atlanta 10-1 with the game enlivened by a short fist fight between Larry Jaster of the Braves and Willie Davis of the Dodgers, and Philadelphia split a doubleheader with New York, winning 3-2 in 10 innings before losing 10-2. Montreal at Chicago and St. Louis at Pittsburgh were both postponed by rain.

In the American League, Minnesota stopped Oakland 6-3, Kansas City went 13 innings to top California 4-1 and Baltimore split a pair with New York, winning 4-3 before losing 8-5. Doubleheaders with Chicago at Milwaukee and Washington at Cleveland as well as Boston's single game at Detroit were rained out.

Simpson, who has created quite a stir with two shutouts and three straight victories, surrendered a two out first inning double to Ken Henderson and nothing else. He struck out nine but experienced some control problems, walking seven.

Ten days ago, in his major league debut, the 21-year-old right-hander shut out the Dodgers on two hits and in 25 innings pitched, he has allowed just one run.

Simpson got all the offensive support he needed from Tony Petraz, who drove in four runs with two singles and his sixth homer of the young season.

Houston's Griffin gave up a first inning run to San Diego on a walk, a stolen base and two ground outs, and then held the Padres hitless until Clarence Gaston doubled with one out in the seventh. Ironically, Gaston was the victim of a diving catch by Jimmy Wynn in the fourth with the shot being turned into a double play and preserving Griffin's hitless string.

"After Jimmy made that play," said Griffin, "it ran through my mind the way it happens when guys pitch no-hitters. There's got to be one good defensive play. At least it always seems that way. I thought maybe this was mine," said Griffin.

"Closest I've ever come?" said Griffin, repeating a newsman's question. "Oh, yeah, sure, it may be the closest I ever come."

Wes Parker clouted a two-run homer and Ted Sizemore cracked three straight hits pacing a 14-hit Los Angeles attack that carried the Dodgers past Atlanta. Alan Foster rode the heavy hitting to his second victory in three decisions.

The battle between Jaster and Davis broke out in the eighth inning.

Davis was backed away from the plate with a close two-strike pitch and then bunted down the first base line. As the ball rolled foul for the third strike out, Davis exchanged words with Jaster and then punched.

After taking one punch, Davis sprinted away from Jaster and into the Dodger dugout as both benches emptied. "I accused him of throwing at me deliberately," said Davis. "He hit me on the right cheek and since I had it broke before, I didn't want it hit again, so I ran." Jaster denied throwing at Davis.

"When he ran," said the pitcher, "I just gave up."

The Phillies ended a seven-game losing streak, pushing over two 10th inning runs to beat New York and Jerry Koosman in the first game of their doubleheader. Hits by Larry Hise and John Briggs drove in the runs and Rick Wise went the distance for the victory.

Donn Clendenon drove in four runs—three on a homer—as the Mets blitzed Philadelphia in the nightcap. Winning pitcher Jim McAndrew kicked off a six-run rally with a double.

first offense and defense playing on the Red team.

Bill Montgomery threw a 62-yard touchdown pass to flanker John Rees for the first score of the afternoon.

Other outstanding performances were by Jon Richardson of Little Rock, who capped a 70-yard drive with a 21-yard touchdown sweep around the left end, and Ronnie Jones who picked off a Joe Ferguson pass and returned it 40 yards for a touchdown.

## Knicks Need One Victory for Title

By THE ASSOCIATED PRESS  
Second might be best in the West, but the New York Knicks are having none of it in the East.

The Knicks, who breezed in four games ahead of the Milwaukee Bucks for the Eastern Division title in the National Basketball Association, stood poised today to prove in the playoffs that's where they belong.

The Knicks need only a victory tonight in New York to close out their best-of-7 division final playoff series after beating the Bucks 117-105 Sunday afternoon in a nationally televised game at Milwaukee for a 3-1 game lead.

That victory would shove the Knicks in the championship final against the oncoming Los Angeles Lakers.

The Lakers beat the Knicks to the final by upsetting the regular season finish in the Western Division with a startling four-game sweep over the Atlanta Hawks, who had finished two games ahead of Los Angeles.

They completed the turnaround Sunday night in Los Angeles by exploding in the fourth quarter for a 133-114 triumph over the Hawks.

In the American Basketball Association division semifinal playoffs, Indiana took a 2-0 lead over Carolina with a 103-98 victory at Indianapolis, the New York Nets moved ahead of Kentucky 2-1 with a 107-99 triumph in New York and Washington pulled within 2-1 with a 125-120 victory over Denver.

The Knicks moved to a 20-point halftime lead, but had to survive a scare in the third period when the Bucks pulled within two points with 16 straight points. But they never got even.

Lew Alcindor once again led the Bucks with 38 points, but managed only nine rebounds. Willis Reed had 26 for the Knicks, but Cazzie Russell was the big man, coming off the bench and scoring most of his 18 points to pull the Knicks out of danger.

The Lakers entered the final period trailing 89-88, and were still behind 95-94 when they started a crushing 17-2 spurt that gave Los Angeles a record seven straight playoff victories.

Jerry West led the Lakers with 39 points and Elgin Baylor had 31, while Walt Chamberlain had 11 and 21 rebounds, ruining an inspired effort by Atlanta Player-coach Richie Guerin.

The 37-year-old Guerin, who totaled only seven points during the regular season, started in place of injured Walt Hazzard and scored 31 points.

First place Indiana entered the final period with a 12-point lead, but had to survive a comeback led by Bob Verga that pulled Carolina within 97-96 with 1:40 left. However, the Pacers scored the next six points in the Western Division best-of-7 playoff game.

Freddie Lewis had 26 points for the Pacers and Verga 35 for the Cougars.

In the Eastern Division, the fourth place Nets jumped in front 60-42 at the half and only in the last 50 seconds did the Colonels pull within 104-99.

Levern Tart and Sonny Dove each had 25 points for the Nets while Louie Dampier had 19 for Kentucky.

Rick Barry scored 45 points for Washington, same as Denver's Spencer Haywood, who brought the Rockets within 82-80 late in the third period after trailing by 16. But Washington pulled ahead 123-114 and that was it for Denver, the first place team in the West.

The other West semifinal continues tonight at Los Angeles with Dallas and the Stars tied 1-1.

On Wednesday night, Indiana and Carolina resume at Charlotte, the Nets and Kentucky play at New York and Washington hosts Denver.

## Barber in 3-Way Golf Playoff

By JERRY ESTILL  
Associated Press Sports Writer  
NEW ORLEANS (AP)—"How sweet it is," This was veteran Howie Johnson's sentiment Sunday after landing in a three-way tie in the \$25,000 Greater New Orleans Open Golf Tournament.

Johnson — who is assured of at least \$11,575 — has notched an official tour victory since 1959 when he won the Baton Rouge, La., Open.

Ready to battle him today for the \$25,000 first prize were Miller Barber and left-hander Bob Charles, who birdied three of the last five holes to spurt into the three-way tie at 10-under 278.

The sudden death playoff normally would have begun immediately after the end of regulation play Sunday but stormy weather had delayed the final round — once for 52 minutes and again for 21 minutes — and darkness closed in.

Lou Graham, who had a shot at first place until the final crucial holes, finished one back at 279.

Third round leader George Archer entered Sunday's play 11 strokes under par but slipped to a 76 and finished fifth.

Grouped in sixth place at 282 were Masters champion Billy Casper, Jim Colbert, Dave Stockton, Gary Player and Rod Curli.

Neither Johnson, Barber nor Charles have won on the tour this year, but they represent 36 years of combined experience. Barber has won \$40,341 this year, Johnson \$29,436 and Charles \$18,088.

Charles' five-under-par 67 Sunday was the best of the day and his best of the tournament. Johnson made the playoff with a 71 and Barber with a 70.

Barber missed a 12-foot eagle putt on the 16th and an eight-foot birdie try on the 17th.

Johnson led by two strokes at one point Sunday and held a one-stroke advantage going to the 16th. But he hit a bad drive, wound up in a trap on his second shot and missed a 12-foot putt for par.

Charles, meanwhile, was near flawless with his shot placements and had birdies of 20, 40 and 15 feet on the back nine.

## A&M, Texas Speedsters Take Honors

By THE ASSOCIATED PRESS  
Speedsters from Texas and Texas A&M now boast the fastest Southwest Conference times this season in the 100, 220 and 440 yard dashes.

Texas' Dave Morton sizzled the tartan surface at Memorial Stadium in Austin with a 46.0 time in the 440 Saturday during a quadrangular track meet.

Sprinter Rockie Woods of Texas A&M finally defeated his freshman teammate Marvin Mills in the 100 yard dash Saturday at a quadrangular meet in College Station.

Woods ran a 9.3 in the 100 yard dash Saturday at a quadrangular meet in College Station. Woods ran a 9.3 in the 100 and 20.9 in the 220—both the fastest times in the SWC this season.

In addition to the conference season best in the 440, Morton anchored the Longhorn mile relay team to victory with a 46.2 time in the 440 leg. The team finished in 3:14.7.

Woods overtook Mills in the last 10 yards to pace an Aggie sweep of the first four places in the 100. Rice edged the Aggies for the team title, however, by a 73-72 1/2 margin. Texas Christian had 18 1/2 and Arkansas 9.

Texas easily won the Austin meet with nine first places.

## Beef Stew Is Traditional at This Event

By DAVE O'HARA  
Associated Press Sports Writer  
BOSTON (AP) — The traditional beef stew went into the warming kettles in a record pouring today to await finishers in the 74th Boston A.A. Marathon, one of the world's most prestigious distance runs.

A diamond studded solid gold sunburst medal and a laurel wreath were ready for presentation to the winner of the 26-mile, 385-yard Patriot's Day Classic from Hopkinton to the Prudential Tower in Boston's Back Bay.

Officials also had trophies for the next nine finishers and medals for runners who check in 11th through 35th. That meant most entrants were running for personal pride—and a bowl of beef stew.

Qualifying restrictions imposed this year for the first time discouraged very few runners. There were 1,174 official entries and race director Will Conley expected 1,050 to toe the line for the start at high noon on a tree-lined street near Hopkinton High School.

Despite the bulky field, second only to the record 1,152 starters in 1969, the top contenders had little chance of getting trampled in the stampede at the start. They were placed far up front for a quick getaway.

European champion Ron Hill drew the honor of wearing No. 1 in his bid to become the first Englishman to win the Boston run. The 31-year-old textile chemist headed a strong foreign contingent favored to continue domination of Americans.

Johnny Kelley of Groton, Conn., and Ambrose Burfoot, former cross country star at Wesleyan University, are the only Americans to win the BAA since the end of World War II.

Mike Cuellar flipped a four-hitter in the first game and Dave Johnson drove in three Baltimore runs with a homer and a single.

Brant Alyea delivered four runs for the Twins at Oakland with a double and his fourth homer. Jim Perry checked the A's on six hits on the way to his third victory without a loss.

Reggie Jackson homered for the losers.

## Around SWC Football Training Camps

By THE ASSOCIATED PRESS  
Coach Darrell Royal says it's risky for a coach to predict a successful season but he believes the Texas Longhorns can extend their 20-game winning string through next year.

"We should have a good football team," Royal said after the final spring game of the national champions Saturday.

"Now that's kind of a dangerous thing for a coach to say," he said. "If we run into the same kind of injury problem we've had this spring, and things don't go right, we could be 6-4 or 7-3."

"I think, though, we have just as good a chance as last year's team did."

The spring finale showed that 5-foot-5, 155-pound Dean Campbell can play with the big fellows. Campbell, a non-scholarship player, scored two touchdowns and almost broke for another.

"Dean will do anything to get in a football game," Royal said. "He'd bite at them if you put him at guard."

At other spring training camps in the Southwest Conference Saturday:

—Bill Montgomery tossed a 62-yard touchdown pass to flanker John Rees as the Arkansas Razorbacks went through a rain-plagued scrimmage at Fayetteville.

Sophomore tailback Jon Richardson capped a 70-yard drive with a 21-yard touchdown run as the Reds defeated the Whites 39-0.

—Texas Tech coach Jim Carlen again praised his junior-to-be quarterback Charles Napper, who completed 15 to 17 passes in a scrimmage at Lubbock.

There is plenty of work ahead, however, for the second units on offense and defense, Carlen said.

—Southern Methodist coach Hayden Fry said his Mustangs still lacked offensive consistency in their Dallas scrimmage.

"But we've thrown so much football at the boys the last two weeks, I'm not discouraged," Fry said. "When you do that you don't expect to have perfect execution this early."

—Coach Bill Deal of the Baylor Bears said his runners appeared to be running harder than at any time in previous spring drills.

Tailback Matthew Williams rushed 73 yards and Derek Davis scored on runs of two and 20 yards to highlight the Bears' controlled scrimmage in Waco.

## 600 Coaches From 12 States at UA Clinic

FAYETTEVILLE, Ark. (AP) — About 600 high school and college coaches from 12 states attended the University of Arkansas Football Coaches Clinic which ended here Saturday.

Featured speakers included the Arkansas coaching staff, C. W. Keopple, Little Rock Hall coach and Dr. Edward Storey of Fort Lauderdale, Fla., a hunting expert.

Most of the coaches were from Arkansas, however, representatives also attended from Oklahoma, Missouri, Kansas, Texas, Illinois, Louisiana, Tennessee, Indiana, Iowa, Michigan and Florida.

His time for the 1 1/2-mile, a furlong shorter than the Derby, was 1:49 2-5.

At Golden Gate Fields, George Lewis zipped an equal distance 1 1/5 seconds quicker than the Wood winner as he

## Oldtimers Win Most of Auto Races

By BLOYS BRITT  
AP Auto Racing Writer

The old pros of racing — Parrell Jones, A. J. Foyt, Richard Petty, Tiny Lund and John Cannon — were winning major motorsports events across the country during the weekend as if they really needed the money.

Jones, 40, got Mustang back into the winner's circle by taking the first event in the 1970 Trans-Am series for sporty sedans at Monterey, Calif. Ford's pony car won the Trans-Am manufacturer's title in 1966 and 1967 but gave way to the General Motors Camaro in 1968 and 1969.

Mark Donohue, whose road course driving skill carried Camaro to victory the last two years, switched to an American Motors Javelin earlier this year and wheeled one of them to a second place finish behind Jones — in the same lap but 40 seconds in the rear.

Jones' average speed for the 114 laps over the 1.9-mile Laguna Seca course was a record 91.375 miles per hour.

Foyt, who is counted among auto racing's millionaires along with Jones, won a 200-mile race for United States Auto Club stock cars at Phoenix, Ariz., beating another veteran, Roger McCluskey, across the finish line by one second.

Foyt, one of Ford's most prolific winners over the years, trailed the 37-year-old McCluskey for 134 of the 200 laps over the one-mile oval before beating the leader by six seconds on a pit stop to grab an advantage he never gave up.

Petty, at 32 the winningest driver ever in Southern stock car racing, breezed to an easy victory in the 250-mile Gwyn Staley Memorial at North Wilkesboro, N. C.

Starting 16th in a field of 30 after encountering engine trouble on the first day of qualifying, Petty got his Plymouth around the early pacesetters Bobby Isaac and Lee Roy Yarborough on the 52nd lap and never was headed. Isaac's Dodge finished second, just over a lap behind, while Yarborough's Ford was third, two laps back.

It was Petty's 104th career victory. The \$6,025 winner's check brought his lifetime winnings to more than \$700,000. The final hour and a half of the race was carried live by the ABC television network.

Cannon, long one of road racing's most consistent drivers, won the first event in the Continental series for stock-block, open-wheeled Formula A cars at Riverside, Calif. The 33-year-old native of Canada averaged 113.577 m.p.h. in a McLaren-Chevrolet as he roared to the front at the start and kept the lead for the 101.6-mile distance.

Dave Jordan of Cypress, Calif., was second.

Lund, 41, won his fifth straight race for NASCAR Grand American cars — Mustangs, Camaros, Javelins, etc. — at Augusta, Ga., and is threatening to make a runaway of the series.

scored by two lengths in the \$12,000 California Derby.

Personality, however, was carrying Derby weight of 126 pounds, while George Lewis was totting only 118.

Meantime, the longshots outpointed the favorites in major events for older horses at the rest of the nation's major tracks.

Gallant Moment, from Mrs. Edward S. Moore's Circle M Farm, took the \$23,150 Ben Ali Handicap at Keeneland, paying a whopping \$64.20 as the outsider in the field of eight for the 1 1/16-mile event.

William Harris' Dilquest, at \$38.80, won the \$24,054 Pinafore Stakes at Suffolk Downs.

Tipping Time won the Long Beach Handicap at Hollywood Park, paying \$18.40.

Hey Good Lookin', at \$15.40, took a division of the Riggs handicap at Pimlico while Corn Caster, \$6, won the other.

The Balmoral Inaugural at Washington Park went to C.H. Sturrock's Coup Landing, \$3.60, in a track record time of 1:03 1/5 for the 5 1/2 furlongs.

Orlando and Hiro won the divided Green Valley Handicap, the last major feature of the year at Gulfstream Park.

Meanwhile, a field of 11 or 12 shaped up for the Blue Grass Stakes at Keeneland, producer of seven of the past 11 purse winners in the Kentucky Derby.

After the Blue Grass, the only major Derby prep left are the April 25 Stepping Stone Purse, where Terlago and My Dad George are expected to be matched, and the April 28 Derby Trial that could include the Jacobs entry and Supreme Quality, if the latter passes the Blue Grass.

DICK WILLIS  
SAN ANTONIO—Dick E. Willis, son of Mr. and Mrs. Elston Willis of 418 N. Main, Hope, Ark., has been commissioned a second lieutenant in the U.S. Air Force upon graduation from Officer Training School (OTS) at Lackland AFB, Tex.

The lieutenant, selected for OTS through competitive examination, is being assigned to Craig AFB, Ala., for pilot training.

Lieutenant Willis, a 1965 graduate of Hope High School, received his B.S. degree in 1969 from the University of Arkansas.

Stewart is Victorious in Spain

MADRID (AP) — Jackie Stewart's victory in Sunday's Spanish Grand Prix pushed the reigning world champion into first place in the 1970 championship driving competition.

His victory here, coupled with his third-place finish in the first world championship event this year in Johannesburg, gives him 14 points.

Averaging 87.16 miles per hour in his March 16, 1970, 38-mile test, Stewart drove through flaming gasoline for five laps following a two-car collision to register his victory.

Bruce McLaren was second followed by Mario Andretti, Graham Hill, and Johnny Servoz-Gavin. They were the only finishers. The original field of 16 was decimated as first one, then another driver was forced to drop out.

## The Majestic Ouachita Mountains a Paradise for All Vacationers

By MAX E. LOVE,  
Travel Editor

State Parks-Recreation and Travel Commission

Spring has arrived in the majestic Ouachita Mountains of west central Arkansas bringing with it a blanket of multi-hued green that is sprinkled generously with flowery colors equal to those produced by an early morning rainbow.

The arrival of spring, following a long, bleak winter, always warms the blood of fun-loving Americans giving them an unexpressible urge to get away into the forests and hills to bathe themselves in warm sunshine and breathe deeply of fresh, unpolluted air.

And, the best medicine for a bad "case of spring fever" is a weekend, or a week, in the Arkansas Ouachitas—an area that has everything a visitor could desire—a nationally known resort city; numerous quiet, friendly towns and villages; 150 miles of deep, clear lakes; unlimited campgrounds; swift mountain streams; picturesque hiking trails; over a million acres of national forests; fine resort hotels and motels; quaint out-of-the-way cottages; gourmet restaurants; four exciting state parks; and so many other interesting and unique places and things that it's possible to list them in such limited space.

The internationally famous SPA city of Hot Springs is located in a beautiful valley near the heart of the Ouachitas and no visit to this mountainous region is really complete until the visitor strolls down the city's main drag, past famed "Bathhouse Row," visiting the many quaint shops and other attractions that line this winding "heart-of-the-city" avenue.

And, while you are in Hot Springs, don't overlook the side streets and the numerous

byways that surround the city. Here, off the "beaten path," you'll find so many interesting places to visit and things to see that you will immediately start planning another—more lengthy—visit to this action-packed community.

Although it is more widely known for its 47 thermal (temperature about 147 degrees) springs and its thousands of cold mineral springs, this "Valley of Vapors" as the Indians called it, also is noted as a water sports paradise. Nearby, on the Ouachita River, are three man-made lakes that stretch for almost 100 miles—from near Malvern to the southwest, north and westward to Mt. Ida. These are, from east to west, Lakes Catherine, Hamilton, Ouachita.

Lake Hamilton lies just south of the city and is the most highly developed impoundment within the state. Lake Catherine lies further south and east of the city, and Lake Ouachita, the largest impoundment lying entirely within the state, is north and west of the city. Mountain surrounded, island studded Ouachita is rated as one of the most beautiful (and scenic) reservoirs in mid-America. It's over 50 miles long with nearly 975 miles of picturesque shoreline. Fishing in the Hot Springs area is unsurpassed anywhere.

The magnificent Ouachitas spring up, abruptly, out of the flatlands almost within the city limits of the capital city of Little Rock and extend westward across the state line and deep into eastern Oklahoma. Northward, they bump heads with the Ozarks and southward they roam to Arkadelphia and DeQueen.

Within this mass of towering hills and lush green valleys, are some of the most scenic highways and byways in the state. And the real scenic wonders are found along the by-

ways—the little traveled roads that wind through the national forest. By getting off the beaten path and following these winding, twisting byways, you will discover numerous mountain streams, some are wild things that bounce down the mountain-side, spilling over falls and rippling through rapids in a mad dash to reach the quieter pools in the valley below. Park your car beside one of these wild little streams; take off your shoes and wade upstream. Find a quiet spot under a spreading beech tree and drink in the scenic wonders of spring. Pick a delicate wild flower; chunk a rock at a pesky Blue Jay; and, suddenly, you are eons away from today; a part of nature viewing scenery as unspoiled (and unpolluted) as it was during the age when the only residents of these mountains were roving bands of cave dwellers.

Go dig yourself a diamond—a real diamond—just south of Murfreesboro; water ski or fish on Lake Greeson; visit Glenwood and buy yourself a handful of Indian arrow heads; visit Mena and drive to the top of Rich Mountain and eat your noon meal in the dining room in Queen Wilhelmina Inn, the fascinating "castle" and featured attraction at Queen Wilhelmina State Park. After lunch, tour the recently completed 64-mile skyline drive (Tallman Drive) that takes you over the top of the highest points of the Ouachitas and into Oklahoma.

Return that evening and camp out at the state park. Tomorrow, drive to remote Little Missouri Falls Recreation Area, 18 miles your way, stop and visit Daisy State Park. You'll want to return there real soon to spend a week or so.

Within the Ouachitas there are over 30 developed recreation areas, including the four state parks to delight campers. Many of these—like the four state parks—are highly developed areas with just about every facility the camper could desire. On the other hand, many of these areas are almost primitive—far

back into the hills where wilderness scenery is "king."

Yes, the Ouachita Mountain region of Arkansas is one of the most exciting, fun-packed areas in the country—an area that has everything. It is exciting at any season of the year.

But, come early spring when the hills and valleys are an endless mass of green, sprinkled generously with colorful early-blooming wild flowers, the Ouachitas of Arkansas are unequalled as a place to spend a weekend, or a week, revitalizing mind and body and relieving yourself of the boredom brought on by a long, cold winter.

Hamilton Responds as Expected

NORTH WILKESBORO, N. C. (AP) — When 26-year-old Pete Hamilton joined the Petty racing clan at the start of the season, insiders felt he'd be the replacement for stock car king Richard Petty.

Petty, with a dozen years on the circuit, more than 100 victories and almost \$700,000 in winnings, was said to be ready to hang up his helmet as soon as a suitable replacement could be found.

Hamilton responded by winning the two richest events on the NASCAR Grand National

circuit thus far, the Daytona 500 and the Alabama 500. He's the top money winner with \$80,590.

It may be a while, however, before the 32-year-old Richard calls it quits. He goes right on winning — like at North Wilkesboro Saturday when he ran away from a field of NASCAR's best drivers to cop the Gwyn Staley Memorial 250-miler before a national TV audience.

Today we hear a great deal about adolescents with problems of identity—who am I and where am I going? The necessary steps to reaching one's identity are (1) emancipation from parental control, (2) choice of one's life work, (3) normal heterosexual adjustment and (4) acceptance of adult responsibilities. Our adolescents with identity problems have failed in one or more of these categories.

Training a child for his role as a mature adult should start at an early age. One important requisite is a parent or parent figure whom the growing child can look up to and with whom he can identify. Furthermore he

must be brought up in a home where children are wanted and loved and in which there are reasonable rules and regulations. Also one must be raised in a community where adequate edu-

training where adequate education and recreation are available and are encouraged. Any breakdown in the provision of these requisites will foster adolescents who will become ineffectual adults.

Family planning will go a long way toward insuring that every child who is born is wanted and will be set on the right track toward a decent mature life. Since there

will never be enough mental health personnel to salvage the wrecks, prevention through the education of parents in proper child-rearing principles is the only valid answer.

## Seattle Hit With Bombs, No Deaths

SEATTLE (AP) — Five bombs exploded within nine minutes of one another Sunday night in the predominantly black Central Area here, police said, including the home of State Rep. David Sprague.

There were no reports of injuries. Earlier police had said there had been six bombings.

One explosion did undetermined damage to the Temple de Hirsch, a synagogue in the area. Asst. Police Chief Gene Corr, an acquaintance of Sprague's, called the bombings "crazy."

The blast blew the front door from Sprague's home.

Corr said the bombings probably were caused by "more than just a loose knit organization. Some of these skills are not developed in the public library."

Two explosions in a real estate office and drive-in restaurant in the same block knocked out glass in many businesses in the area. Another blast was reported at a Japanese Presbyterian church.

In February, another explosion damaged the home of State Sen. Fred Dore in the same area. Dore's wife and four of their children were in the home at the time, but escaped injury.

Seattle has had some 60 bombings in recent months.

## Man Shot Here, Condition Is Critical

Friday night at a Negro night-spot on North Hazel Street, Mose McCain, 41, was shot six times. His condition was critical and he was taken to a Little Rock hospital.

Offices have received no report of his condition.

City Police charged Bobby J. Palmer, 26, Negro of Hope with the shooting. He was released to the Sheriff's Department for prosecution. He is being held on open charge pending the condition of the victim.

The investigation was made by Assistant Chief James Rowe and Officers Arterbury and McCulley.

## 2 Fatalities on Arkansas Highways

By THE ASSOCIATED PRESS  
Two persons were reported killed on Arkansas' highways this weekend.

Police said Mrs. Wanda Howard, 41, of Hensley (Pulaski County) was killed Sunday in a two-car accident on Arkansas 367, south of Little Rock.

Also killed was Elbert Jones, 43, of near Camden. Police said Jones was killed Saturday when he was struck by a car on the old Smackover Highway near Camden.

The Associated Press weekend highway death count began at 5 p.m. Friday and ended at midnight Sunday.

## Castro Claims a U.S. Force Has Invaded Cuba, Six Are Killed

MIAMI (AP) — Prime Minister Fidel Castro says an invasion force from the United States has landed in Cuba and that six persons have been killed in fighting.

Castro said in a communiqué broadcast Sunday by Havana Radio the armed men landed on Cuba's east coast Friday—the ninth anniversary of the abortive, U.S.-supported Bay of Pigs invasion.

A "group of mercenaries coming from the United States, equipped with modern automatic arms of the Yankee Army, landed near the Yumuri River 14 miles east of the city of Baracoa Friday, April 17, at dawn," he said.

Baracoa is in Oriente Province, near the eastern tip of Cuba.

## Astronauts to Begin Telling Specialists About What Happened

By HOWARD BENEDICT  
AP Aerospace Writer

SPACE CENTER, Houston (AP) — Apollo 13's astronauts today begin telling specialists about what happened on the near-tragic space journey.

What they report may help pinpoint the cause of the oxygen tank explosion that aborted man's third moon-landing attempt.

James A. Lovell Jr., Fred W. Haise Jr. and John L. Swigert Jr. plan to discuss the accident with Space Center officials before meeting with the head of the Apollo 13 review board Tuesday.

A team of experts here examined radio data and photographs in an effort to learn the cause of the tank rupture.

Lovell, Haise and Swigert returned to their homes near the Space Center Sunday night after a flight from Honolulu. They were greeted by more than 5,000 persons who gathered at nearby Ellington Air Force Base.

Lovell told the crowd: "Needless to say, Jack and Fred and I are very proud and glad to be back here in Texas tonight because there were many times when we really didn't think we'd make it back here."

"And I can say with all sincerity," the Apollo commander added, "we would not be here if it was not for the people on the ground, in Mission Control Center, helping us all the way."

Swigert, a last-minute replacement for measles-exposed Thomas K. Mattingly II, echoed Lovell's words, "Of all the welcome home we've had, this one means the most, because it was these people out here who made it possible for us to be here."

Haise said, "We had the prayers and good wishes from people all over the world and we appreciated that very much."

Mattingly, without measles, was in the welcoming group.

It was the fourth tumultuous welcome since the spacemen returned safely to earth Friday with a bull's-eye splashdown in the Pacific.

The others were aboard the recovery carrier Iwo Jima, on their first landfall in Samoa, and in Honolulu where President Nixon Saturday gave them the nation's highest civilian award, the Medal of Freedom.

The President praised their poise and skill in bringing their spaceship in after it was damaged last Monday night 202,000 miles from home.

Nixon took the wives of Lovell and Haise and the parents of bachelor Swigert to Honolulu to greet the astronauts.

Churches around the world Sunday offered prayers of thanksgiving for the safe return of the spacemen.

Edgar Cortright, director of the National Aeronautics and Space Administration's Langley Research Center in Hampton, Va., was named Friday to head the Apollo 13 review board that will investigate the accident.

Cortright said he planned to meet in Washington with NASA Administrator Thomas O. Paine and assistant administrator George Low "to begin selecting the board members and determining what other support personnel will be necessary to conduct this investigation."

He said names of the board members would be announced as soon as possible later this week.

Cortright said he would be at the Space Center Tuesday to talk with the astronauts. He said the review board probably would do most of its work in Houston.

## Escalation in Laos Is Reported

WASHINGTON (AP) — The Nixon administration is reported escalating the clandestine war in Laos while attempting to scale down the conflict in Vietnam, Senate testimony has revealed.

About 200 Americans were killed in the Laotian conflict from 1962-69, the testimony disclosed, and approximately 200 more Americans are listed as missing or prisoners of war.

The figures compare with recent White House announcements that less than 50 Americans died in Laos in ground combat operations and less than 300 had been killed in air operations over the nation.

The extent of the U.S. involvement in the Southeast Asian nation came to light Sunday when

## Court Ruling Favors Those on Welfare

By BARRY SCHWEID  
Associated Press Writer

WASHINGTON (AP) — The Supreme Court ruled 6 to 2 today that California may not scale down welfare payments to dependent children on a presumption that men living in the household provide financial support.

The decision, given by Justice William O. Douglas, reverses a three-judge federal panel in San Francisco, but does not end the legal dispute. The case was returned to the court in California in a way that will permit California to try to square its regulations with those of the federal government.

Chief Justice Warren E. Burger and Justice Hugo L. Black dissented. They said the issues involved do not belong in the courts at this stage.

Moreover, Black said with Burger's approval, the federal government has no constitutional power to force California or any other state to adopt a par-

## Junior Bull Riding Event April 23 Here

Junior Bull Riding elimination will be held in the coliseum Thursday night, April 23, with admission for everyone set at 50 cents.

This is being sponsored by the Hope chapter of the Future Farmers of America in connection with the 11th Annual rodeo scheduled for April 24 and 25.

Every boy who wants to ride a bull will get a chance to do so Thursday night. The top 32 riders will then compete Friday and Saturday nights to determine the winner.

Three merchants will be paying the \$300 charge for renting the calves. They are Southern Mills (John Graves and Al Graves), Southern Grain and Elevator (Monty Monts, Irving Townsend), and Hope Livestock Commission Board (Lamar Williams).

According to Troy Buck, FFA adviser, each year more boys want to ride each night than there is time so this extra night has been set up to let every man have his chance.

Also charged with possession of narcotics were Amanda Gray, 18, of Little Rock and Richard E. Compton, 17, of Memphis.

## Nixon May Unveil Few Surprises in Address to Nation Over TV

By FRANK CORMIER  
Associated Press Writer

SAN CLEMENTE, Calif. (AP) — President Nixon will outline his approach to further U.S. troop withdrawals from South Vietnam in a television-radio address tonight—perhaps unveiling a surprise or two.

Nixon will speak at 9 p.m. EST.

Sources at the Western White House cautioned today against advance speculation that Nixon would announce a successor to Henry Cabot Lodge as chief American peace negotiator in Paris. Press Secretary Ronald I. Ziegler indicated earlier in the month that such an announcement might be imminent.

At the same time, these sources did not rule out the apparent likelihood that Nixon, in what is billed as a 10- to 15-minute "update report" to the nation, would go beyond mere discussion of troop levels and break new ground in presidential discussion of the Southeast Asian situation.

Since Nixon last took to the airwaves to discuss the Vietnam war, last Dec. 15, the conflict has broadened, particularly in Cambodia which seeks U.S. arms following a coup that overthrew the neutralist government of prince Norodom Sihanouk.

Through Ziegler, the United States has deplored reported Cambodian massacres of Vietnamese living in that tiny country. And the State Department has said the arms request is under study.

The Nixon administration also has taken an interest in a statement last week by Jacob A. Malik, Soviet ambassador to the United Nations, that indicated possible interest from that quarter in a new Geneva conference to take up the entire Indochina situation. However, Malik told ABC-TV News Saturday that "convening such a conference is unrealistic at the present time."

U. S. troop levels in South Vietnam last week were put at 428,000 or 5,800 below the last announced authorized ceiling. Nixon was expected to announce plans for a fourth-phase withdrawal of around 50,000 additional men, although perhaps stretching out the movement over a longer period than the four months that saw the latest withdrawal of 55,000.

The gradual reduction in U.S. armed strength in the war zone began last June, ending about

## Troop Level in Vietnam at Lowest

By GEORGE ESPER  
Associated Press Writer

SAIGON (AP) — American troop strength in Vietnam dropped to 425,000 last week, the lowest level in more than three years, the U.S. Command announced today.

The announcement was made 16 hours before President Nixon's radio speech in which he was expected to announce plans to withdraw more troops.

Nixon's third round of withdrawals, completed April 15, reduced the authorized troop ceiling to 434,000 men. The total strength last week was 8,500 below that, but spokesmen said actual strength is always 1 to 2 per cent below the ceiling.

U.S. strength in Vietnam was at a peak of 543,400 men a year ago, in April 1969. Nixon began his withdrawals in June.

From the battle fronts, the U.S. Command reported five American helicopters shot down Sunday in scattered action. It was the largest number shot down in one day in nearly a year. Four Americans were killed and six were wounded in the crashes.

The Communist command's offensive launched April 1 appeared to be losing some of its steam.

The U.S. Command reported 20 enemy rocket and mortar attacks during the 24 hours before 8 a.m. today, and said only six of them caused casualties or damage. One American was reported wounded.

During the height of the offensive, 65 to 100 rocket and mortar attacks were reported in 24-hour periods.

South Vietnamese headquarters said 13 civilians were killed and 69 wounded in three scattered terrorist attacks. Both South Vietnamese and American battlefield communiques indicated only light ground fighting, with one American, two South Vietnamese and 57 enemy troops killed in half a dozen small fights. Eight American and 20 South Vietnamese soldiers were reported wounded.

The U.S. Command also announced that eight Cambodian soldiers wounded in a fight with Viet Cong troops inside Cambodia area being treated at an American military hospital as a "humanitarian measure."

A communique said the Cambodians crossed into South Vietnam's western Mekong Delta last Thursday and presented themselves to U.S. authorities, requesting medical aid. A spokesman said it was the first such case he knew of.

## Judgment for Highway Land Is Reversed

LITTLE ROCK (AP) — The Arkansas Supreme Court, by a 4-3 decision, reversed today a \$22,000 jury award for about 49 acres of land taken for construction of Interstate 40 in Johnson County.

The damage award was made to Hansel Highfill and his wife after the state Highway Commission claimed 48.77 acres from the Highfills' 267-acre tract.

Chief Justice Carleton Harris, writing the majority opinion, said Circuit Court Judge Russell C. Roberts erred by rejecting a motion by the state to strike half the alleged damages as testified to by Highfill.

Highfill testified that he estimated the damages on the basis of what the property was worth to him. The commission argued that this did not represent testimony on the fair market value of the property and the Supreme Court majority agreed.

Highfill had testified that damages to his property had amounted to \$30,000, and that half the damage was due because he would no longer be able to operate a dairy business on the land. The Supreme Court upheld the commission's contention that such testimony should have been stricken by Roberts since it was predicated on the destruction or loss of a business.

Justices John A. Fogleman, Conley Byrd and Frank Holt dissented.

## Barber Wins New Orleans Golf Playoff

LITTLE ROCK (AP) — Miller Barber, formerly of Texarkana, won the \$25,000 New Orleans open tournament this morning by beating lefthanded Bob Charles and veteran Howie Johnson in the continuation of a sudden death playoff.

Barber putted in a 12 footer on the second hole while Charles and Johnson shot par. The playoff was called Sunday because of darkness.

This putt gave Barber \$25,000 first prize money, while Charles and Johnson picked up \$11,500 each.
